## THE US CYBER INITIATIVE

JS<mark>CYBER</mark>® nitiative

provides cyber literacy and skill development programs that promote digital citizenship, cyber safety, and cross-sector workforce development in cybersecurity.

We are focused on creating opportunities for high school students across the country from all backgrounds to receive the inspiration, training, and support to pursue careers in cyber and related fields.

## Join us in supporting future technology leaders

**MOTIVATE STUDENTS** to see themselves as community leaders and pursue quality jobs in cybersecurity and adjacent digital fields.

**REMOVE BARRIERS** to support students looking to follow established educational paths and those looking to chart a less traditional course.

**PROMOTE DIVERSITY** in STEM and encouraging students from all backgrounds to participate in digital careers that provide household sustaining wages.

#### **ABOUT TECH4CHANGE**

Tech4Change (formerly Telecom for Change) is a 501(c)(3) nonprofit organization composed of technology suppliers and channel partners that dedicate time and resources to aid grassroots charities across the U.S. Since our inception in 2014, we've raised more than \$1.25 million for local grassroots charities that are often overlooked and underfunded. Through event-based fundraising, Tech4Change provides game-changing donations that go directly to the cause rather than administrative costs. Our mission is to change the world – one event at a time.
