## About Tech4Change

Tech4Change (formerly Telecom for Change) is a 501(c)(3) nonprofit organization composed of technology suppliers and channel partners that dedicate time and resources to aid grassroots charities across the U.S. Since our inception in 2014, we've raised more than \$1.25 million for local grassroots charities that are often overlooked and underfunded. Through event-based fundraising, Tech4Change provides game-changing donations that go directly to the cause rather than administrative costs. Our mission is to change the world – one event at a time.
